Go Gold For Hope

Monday 9/19-Friday9/23
Gold Boot Collection

Children are encouraged to bring in spare change and/or notes of encouragement for children who are currently battling cancer at Boston Children's Hospital.

Friday 9/23

Everyone across is encouraged to wear gold/yellow to show their support for those in our community who are impacted by childhood cancer.

ABOUT US

South Shore Action For Hope (SSAFH) is a 501c3 nonprofit organization that was formed in 2021, Our mission is to take action to bring hope to families battling childhood illness and disease by increasing awareness and raising money to fund research for a cure.

In 2021, thanks in large part to the efforts of local schools, SSAFH was able to donate $25,000 to Boston Children's Hospital to fund research into osteosarcoma in children, conducted by Dr. Marsha Moses.

In 2022, we have identified two research projects at Boston Children's hospital to support. These will target leukemia and neuroblastoma in children. More information about these projects can be found on our website.

Sports teams from all schools are encouraged to reach out and find out how they can join in on the fun! Wear gold during your sporting events, pass the boot around at a game, show your support! E-mail us for more information!
