**Special Education Department**

**Middle High School Inclusion**

**Mission:**

The goal of the inclusion program is to provide support for students with disabilities in the least restrictive environment, which is the regular education classroom with their peers. Students may be serviced in co-taught classes, check-in classes, or a combination of both.

**Co-taught Classes**

- A special education and regular education teacher instruct the class together
- Accommodation and modifications made to grade level curriculum
- Flexible small group instruction within the class for all students
- Differentiation for all students
- One consistent special education teacher per grade
- Additional therapies based on individual need
- Use of assistive technology as needed
- Participation in Student Assist Center and/or Math Plus dependent on  
  
individual need (see description)

**Check-in Classes**

- A special education teacher or paraprofessional consult with the teacher and help provide accommodations and modifications
- One consistent special education teacher per grade
- Therapies based on individual need
- Use of assistive technology as needed
- Participation in Student Assist Center and/or Math Plus dependent on  
  
individual need (see description)
