

Drop-Off Procedure for Students Not Taking the Bus

Carver Elementary School strongly encourages parents to have their child ride the school bus to school. We do understand that on certain days, it may be necessary to drive your child to school. In an effort to keep all students safe, we have changed our drop-off procedure for all students.

All students arriving to school prior to 8:20 must be dropped off at the Governor John Carver cafeteria. Students in grades K-2 will be escorted to the Erwin K. Washburn building at 8:20. Students arriving to school after 8:20 must be signed in by a parent/guardian at the Erwin K. Washburn office.
