

Carver Elementary School

June 2013

"Appreciation is a wonderful thing. It makes what is excellent in others belong to us as well."

-Voltaire

Dear Families,

As the school year comes to an end, there is joy in our hearts and tears in our eyes as we prepare to say goodbye to our fifth graders. To the remainder of the students, we hope they have a wonderful summer and we look forward to seeing them in the fall. It is timely to extend a sincere thank you to our devoted parents and families who continue to collaborate with us in making school a priority. Thank you to all our dedicated staff and faculty whose contributions help to make the Carver Elementary School a wonderful place to grow and learn. We thank all our loyal volunteers who help make our "wheels" go round each and every day. We are fortunate to have your support! To all the students we applaud them for their hard work this school year and we send them off to a well-deserved summer full of fun in the sun. As you plan your summer activities, please remember to keep reading in your daily schedule. Have a wonderful summer!

A fond farewell The staff and students of Carver Elementary School would like to wish a fond farewell and thank you to Mrs. Kathleen McDonough. She has been the Interim Associate Principal since January and will be leaving us at the end of June. We wish her the best in her next endeavor!

Welcome to our new Associate Principal Mrs. Amy Furtado who will be starting with us this summer. Mrs. Furtado comes to CES with over thirteen years' experience as an elementary school teacher in the New Bedford Public School System. She holds a CAGS in Elementary Administration and a Masters in Technology and Education. We are very excited to have her join our team here at CES!

Happy Retirement: This June we will be saying goodbye to Mrs. Karen Sacchetti, Grade 2; Mrs. Kathy Webster, Occupational Therapist; Mrs. Eleanor Sirk, School Adjustment Counselor; Mrs. Connie Pooler, School Nurse; and Mr. Gil Barakat, Music Teacher. They have all announced their upcoming retirement. We will miss them tremendously as they have been a vital part of our Carver Elementary School community. Together they have dedicated 106 ½ years of their lives to the children of Carver. We wish them a happy retirement and we hope they know they have an open invitation to come back and visit us anytime!

Carver Elementary School says goodbye and thank you to the PTO Board comprised of **Dorene Allen-England, Marie Blotner, Tracy Condon, Thea Dickinson-Rowles and Jani Donnelly**. Over the last three years, the hard-working crew of five organized many fund raising events for a grand total of \$94,797.46. Major fund raising initiatives for this school year were Square 1 Art, Holiday Catalog Sales by Cristoline and the 4th Annual Winter Wonderland. The students and staff have reaped the benefits through enrichment activities, SMART Board equipment, various other technology equipment, incubators for kindergarten, school supplies and curriculum materials such as FOSS Science kits. Please join us in thanking the team for all their hard work. These items would have been impossible to obtain without them! Thank you to all who have supported the PTO and we look forward to working with the newly elected board members: Stephanie Clougherty, Tiffini Cornock, Jen Frohnapfel, Kristen Moore, Jen Santagate, Heather Sepulveda, Julie Stone and Jessica Walsh. For information on how to get involved visit www.carverpto.org.

Transportation Day in kindergarten is a great way for the children to make a real connection with their literacy unit on transportation and learn first-hand about various types of vehicles. This event has been held each year for the past several years thanks to the kindergarten teachers and local community members. On May 17, the children were able to get up close and explore a helicopter, crane, septic truck, paver truck, FedEx truck and a K9 state police car.

Chicks hatching in Kindergarten As part of the Kindergarten Science Unit, Animals Two by Two, students observe and develop curiosity and interest in the living world.

Class Placement: The week of August 15, you will receive a letter from us regarding your child's placement information for the upcoming school year. Please check the Carver website or [The Carver Reporter](#) for bus routes approximately the third week in August. Students in grades 1-5 will begin school on Tuesday, August 27 and the first day of kindergarten will be Tuesday, September 3, 2013.

Happy Father's Day: We would like to extend a Happy Father's Day to all the dads from our Carver Elementary School community. We hope you have a wonderful day with your children and families.

Goodbye and best wishes to all of the high school interns who have spent so many hours with us here at the Elementary School. Congratulations on your graduation and continue to make us all proud!

The Carver Music Boosters' Music in the Park summer concert series will be featuring "The Flannery Brothers", an award-winning musical group for children. The concert is free for all and will be held on Sunday, June 23 in the Shurtleff Park from 2 to 4 P.M. All proceeds will go to the Music Boosters for the benefit of Carver music programs K-12.

Smart Phone APP- School Connect: Please see the attached PDF on step-by-step instructions for signing up.

Upcoming Taiko Drumming performance is sure to be a hit! On June 21, the students and faculty of Carver Elementary will be treated to a Taiko Drum performance presented by Odaiko New England, Young Audiences of America. Special thanks to the Kantner Foundation and Harvard Pilgrim who provided grant funding for Music and the Arts. Please be sure to ask your children about this popular educational performance.

Read Across America Race to the Finish...

As we near the end of the year, each minute read now equals one mile. Read Across America will culminate with the theme of Coast-to-Coast: Monday June 17 will be Island Day (Hawaiian shirts, lays etc.) and Thursday June 20 will be Boston Day (patriotic/historical/nautical attire). Winning homerooms will be announced Thursday.

Summer Book Bingo Read Across America has been a great success. We would like to keep the momentum going. Summer reading Bingo Boards will be sent home with students soon. The Bingo Boards will also be available on our website, www.carver.org.

Sincerely,

Ruby C. Maestas
Principal

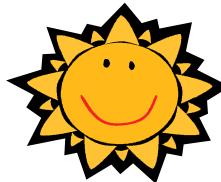

Paula S. Foley
Associate Principal

Kathy McDonough
Interim Associate Principal

August 27- First Day of School for Students in grades 1-5
September 2- Labor Day-No School
September 3- First Day of School for Kindergarten

The Administration, Faculty and Staff of the Carver Elementary School wish everyone a wonderful summer!!

Please visit www.carver.org for important events.

It is with mixed emotions that we are writing our final letter to our elementary families. As many of you are aware, we (the current PTO Board), who have served together for the past three years, have all decided to step down together. Last summer we met and had a conversation about how much of a commitment this is and that our families have sacrificed a lot over the years so that we could all be involved in the many facets of this parent/teacher organization. We decided then, that our focus must return to our families and that the 2012/2013 school year would be our last year serving together as a board. We must say how proud we are, to have been a part of the Carver Elementary PTO. We feel that the educational needs of our children have been greatly served by the organization and are proud to say that we raised **\$94,797.46** over the past three years. We have a great group of parents as well as many supportive teachers/faculty members within our school system. We are sure that the Carver Elementary PTO will continue to make a valuable contribution to the education of our children for many years to come.

We are very happy to announce that at last month's meeting, we elected the following people onto the new PTO Board: **Stephanie Clougherty, Tiffini Cornock, Jen Frohnappel, Kristin Moore, Jen Santagate, Julie Stone, Heather Sepulveda and Jessica Walsh.**

These eight wonderful ladies will be serving as members of your new PTO Board starting July 1st! We are confident that the PTO will continue to run smoothly! These ladies are all very excited to introduce new ideas as well as facilitate what is already in place. We wish them luck in their new roles and we know our elementary families will too!

In closing, we would like to express sincere thanks to the following people who have generously donated their time and services over and over again to help make all of our PTO events a huge success:

Bryan & Elaine Griffin (providing DJ services whenever we needed them)
Carver Fire Department (providing lighting outside during our Halloween event)
Firefly Helicopter (helicopter service for Santa at our Winter Wonderland events)
Ken Garron ("Santa" at Winter Wonderland)
Jen Reardon (Box Top & Juice Pouch Brigade Coordinator)
Kelly Yenulevich, Pauline Lopez and Nancy Seamans (a little of everything)
Elementary Custodial Staff (picking up after us)

We would also like to acknowledge all of our parent and teacher volunteers over the past three years. Your diligence, commitment and hard work made each year a successful one for our children and our school. I thank the parents/guardians/teachers who participated in a fundraiser or two, and others who diligently cut out and sent in box tops and/or labels for education. When everyone does their part, no matter how small, our children benefit.

And lastly, thank you to all of the students who have made this all worth it! We have received so many "thank you" cards from all of you and have enjoyed reading every single one of them! What a great gesture! Have a great summer, and thank you to everyone for supporting us through the years!

Sincerely,

*Tracy Condon
Marie Blotner*

*Dorene Allen-England
Thea Dickinson-Rowles*

Jani Donnelly

SCHOOL NURSES' INFORMATION

We hope that everyone will enjoy this summer. The nurses would like to remind parents that there are potential dangers during the summer months and it is important to be aware of what they are.

TICK BITES: Ticks are responsible for a variety of illnesses including Lyme disease and Rocky Mountain Spotted Fever. Some suggestions to protect your family include:

- Protective clothing(long sleeves, long pants, tucking pants into socks)
- Tick/bug repellant
- Insect repellant for pets
- Staying in the center of paths
- Performing tick checks on all family members every day
- Being aware of signs/symptoms of tick-related illnesses
- Calling the doctor for any concerns and questions

HELMET SAFETY:

- An appropriate helmet must be worn whenever a child is “on wheels”. This means bicycles, scooters, skates, skateboards and more!
- The helmet must fit properly.
- Helmets can be lifesaving and can protect a child from serious injury.
- Be sure the right type of helmet is being used.

WATER SAFETY: Adult supervision is of paramount importance. Parents need to focus on their children 100% of the time.

- Never leave kids alone near the pool or water, no matter what their age or swim capabilities.
- Remember, no child or adult is “drown proof”.

SUN PROTECTION:

- Avoid sun exposure during peak sun hours (10AM-6PM).
- Wear protective clothing, a hat and sunglasses.
- Water resistant sunscreen is a MUST. Look for products with UVA and UVB protection. Choose a sunscreen that is at least SPF 30 and apply it 15-30 minutes before going outside. Reapply every 2 hours or sooner if swimming.
- Look for shade whenever possible.

DEHYDRATION and HEAT-RELATED ILLNESSES:

- Keeping well hydrated is very important.
- Children and adults must remember to drink.
- Playing in the hot sun means lots of fluid loss, so avoid strenuous activity during peak sun hours (10am-6pm). Take lots of breaks and look for shade.
- Seek medical attention immediately for any signs of heat-related illness.
