September 17, 2015

To All Parents and Guardians,

The USDA (United States Department of Agriculture) and the Massachusetts Department of Early and Secondary Education Child Nutrition Program, requires a lunch price increase of 15 cents in order to meet their minimum standards. The School Committee voted (9/14/15 meeting) to increase the school lunch cost for all grades by 15 cents effective October 1, 2015.

This increase will bring the daily price to \$2.65 at the Middle High School and \$2.40 at the Elementary School. Free and reduced lunch participant cost will remain the same.

Families are welcome to apply for Free and Reduced Lunch any time throughout the school year. The form is available on our school website and questions can be directed to Kath Farrar, Director of Food Services at farrark@carver.org or 508-866-6137.

Sincerely,

Elizabeth A. Sorrell

Superintendent of Schools
