NEWS & UPDATES

YOUTH RISK BEHAVIOR SURVEY

Teachers are being asked to have their study hall complete the survey sometime between **Mon, January 25th** and **Fri, February 12th**. This survey will take students 30-40 minutes to complete. Please note the following information:

- **Survey Link:** <https://www.surveymonkey.com/r/CMHS-Survey>
Link will also be on the main page of the high school website.
- We are doing the survey through Survey Monkey to ensure that students **responses are anonymous**.
- The survey can be completed on a smartphone, iPad, or in a computer lab. You and your study can decide how you would like to complete the survey – on their phones, a combination of phones and i-Pads, or sign out a computer lab for a day.
- Please let the office know when your study has completed the survey.
- An e-mail to students and parents has been sent so all are aware
- Any questions please ask
- **If you have a Period 5 class that is not a study:** you can decide if you want to give up class time to have students complete the survey. I have told the grant coordinators that I will not be able to have every student complete the survey, also one of the reasons I am asking students to complete the survey in study or AW is to protect class time.

GEOGRAPHY BEE

Contestants and alternates will report to the Auditorium at 8:30. All other students will wait to be called from block 5 at approximately 8:45. The Geo Bee will probably last until approximately 10:15. Please try to sit with your class as your help with crowd control is always appreciated

RECYCLING CONTEST

- Form a team of 5 students and 1 staff member.
- Bring bags of recycling **FROM HOME** to the MS cafeteria **BEFORE** homeroom to be weighed.
- The team that recycles the most will receive a catered lunch from our CULINARY DEPT!
- November 30th – January 29th!
