## NEWS &amp; UPDATES

**BE AN "11"**

7<sup>th</sup> grade students will be participating in a full day leadership workshop called "Be An 11" hosted by the Captains Council. The purpose of this event is to promote the program's mission to encourage students to think about what is potentially possible if they stretch their limits to be the best they can be! Over the course of the day, students will attend various stations facilitated by high school team captains and several staff members/coaches. All of the stations will be located in the high school gym area and health room 135. We ask you to join various stations, feel free to participate in discussions/activities, and assist high school students with behavioral management as needed. Teachers can take their usual lunch period and prep.

**POLAR PLUNGE | PENNY WARS**

MS Student Government is sponsoring a penny war to raise money for the Jordan Hospital Cancer Center and looking for **middle school teachers to volunteer** to allow us to put your face on a water jug and collect donations. The teacher who wins gets to take the Polar Plunge on March 5 at Nelson Beach in Plymouth. The penny war will run through Friday, March 4<sup>th</sup>.
