1,000 PT CLUB – Chris Willis

Chris Willis is on the cusp of scoring his 1,000 point. Roger King says: *"It's an exciting event that doesn't happen too often in high school basketball. In my 28 year tenure with the program, Chris will be only the 6th player to achieve this feat."* From his membership in the National Honor Society, his involvement with Unified Special Olympics and his being one of the all-time top 5 players in the history of Carver's Boys Basketball, Chris' accomplishments are exemplary. Boys Varsity Basketball will be playing 2 of our last 3 home games this week; Tuesday and Friday. Thank you to Mr. King for making us aware of this great news!

Hope you have the opportunity to go see him make his 1,000th point but if not, you can congratulate Chris when you see him throughout the school.
