NEWS & UPDATES

SHARING CRUSADER EXCELLENCE

It is Mr Knief's goal to use Twitter on a regular basis to celebrate the outstanding education opportunities provided to our students, as well as highlighting school sponsored events and activities. If you have something happening in your classroom or a school sponsored event that you would like him to highlight please let him know. You can follow him if you choose at @ScottKnief

In addition to twitter, this year we have also added a new page to the MHS website titled: Crusader Excellence where students and staff excellence can be highlighted to share with our community! Contact Gina Marie, CMHS Webmaster to share and post! Thank you!

TURKEY TROT

Turkey Trot Food Drive begins on Monday 10/23, and runs through Friday, 10/27. The food drive is the middle school's largest community service event of the year! During this week, students will be bringing canned goods and non-perishable food items into homeroom.

We are so thankful for your help! - The Turkey Trot Team

BUILDING NOTES:

Especially now as we are entering into more seasonable weather, please be sure to close and latch securely all windows in your space that may have been opened by yourself or someone else during the day. This will save energy as our new boilers are now running as well as prevent any possible freeze ups once colder weather is here.

Thank you very much for your assistance with this matter.
