NEWS & UPDATES

2018 P.D. CHOICE DAY - <https://goo.gl/forms/KOOC5isklkhaRsUr1>

Please find the online application for the upcoming 2018 Teacher Choice Day by clicking the link above and please complete your proposal via by **Wednesday, Nov. 8** Note: that if you are planning on team curriculum or assessment work, only one proposal needs to be filled out (but all team members need to be listed). The PD Committee will meet in mid-November to review these. Please email Meredith Cargill with any questions.

BUILDING NOTES:

Especially now as we are entering into more seasonable weather, please be sure to close and latch securely all windows in your space that may have been opened by yourself or someone else during the day. This will save energy as our new boilers are now running as well as prevent any possible freeze ups once colder weather is here. Thank you very much for your assistance with this matter.

TURKEY TROT THANKS

Thank you to everyone who supported our Annual Turkey Trot/Food Drive. The runners did a great job last week and worked hard to cross the finish line. This year, we were able to award over 20 prizes thanks to your generous donations. There were also over 500 items donated to the the local food pantry. This event is truly a team effort and we appreciate the help year after year.

RECYCLE REMINDERS

We were notified that our last recycling pickup was too contaminated to recycle. The main contamination was pizza boxes, donut boxes, candy wrappers, and styrofoam cups. Sometimes, over-recycling negates all of our student's efforts so let's all be mindful as we support the environmental club, the recycling program and our future!
