NEWS & UPDATES

FROM THE PTO's

The CES and CMHS PTOs are once again hosting the Harlem Wizards and we need you! We are looking for 10-12 players will to join our team, the Carver Crushers, as we take on the Harlem Wizards **January 18, 2018 at 6:30 pm**. If you did not play in (or attend) the Harlem Wizards game last year, you missed a great time. No basketball skill is required to play - this is more of a comedy show than an athletic competition. If you have younger kids of your own, definitely sign on to play or come watch - they will love it! If you want to play, let Karen Showan know and she will pass your name along.

HOLIDAY BLESSINGS

Congratulations to two CMHS staff members who were blessed during the holiday seasons! **To Kayla Trudeau** and her husband who welcomed a baby boy, Hunter Lenn to their family on November 26 and **to Stacy Waitner** and her husband who welcomed a baby girl, Lily Meredith to their family on December 14.

SEI Course

The Education Cooperative (TEC) is providing one SEI Teacher Endorsement course, to be held in Mattapoisett. The course begins on January 4th, just around the corner. Please contact Michelle Taylor for more information. The course is expected to fill quickly.

ENVIRONMENTAL CLUB ANIMAL PRESENTATION

On Tuesday, December 19th, the Environmental Club is hosting Amy Croteau as a guest speaker. Amy is a Natural Resource Officer for the Town of Barnstable. She'll be discussing native animals, their habitats, and aspects of her job. In addition, Amy will bring her vast and amazing collection of taxidermied animals. Please join us in the Upper Library from 2:15-3:15pm. You may invite your students, but please RSVP to Dave Wechter for space reasons.

BUILDING NOTES:

Especially now as we are entering into more seasonable weather, please be sure to close and latch securely all windows in your space that may have been opened by yourself or someone else during the day. This will save energy as our new boilers are now running as well as prevent any possible freeze ups once colder weather is here. Thank you very much for your assistance with this matter.

PBIS (Positive Behavioral Intervention and Supports)

We'd like to welcome you to join all or any of our monthly PBIS meetings. We will be reviewing term 1 discipline data, identifying tier 1 supports, and planning our first recognition for the year. We will be meeting in the main office conference room 2:15 - 3:15 and the next meeting is on December 20.
