Anti Defamation League - World of Difference

Peer Leader CLASSROOM LESSONS

There are 22 high school students (junior and senior peer leaders) who have been dedicated to the World of Difference Program for the past two or three years and have completed 3 to 5 days of ADL training during which they've learned how to facilitate lessons with middle school students. The objective of the program is to improve our school culture by helping students to recognize bias and the harm it inflicts on others while increasing students' understanding of the value and benefits of diversity. The peer leaders are going to facilitate 5 lessons to 6th grade students during the first period of the day on the following dates:

Wednesday, January 31st (Day 6)	Friday, February 16th (Day 4)
Wednesday, March 7th (Day 5)	Tuesday, March 20th (Day 7)
Tuesday, April 3rd (Day 3)
