

The Carver Public Schools' Preschool Program, located at the Carver Elementary School, is currently scheduling appointments for screenings for role model slots in our new preschool classroom for the remainder of the 2018-2019 school year. This is a morning program that will meet Tuesdays, Wednesdays, and Thursdays from 8:15-10:45. Screenings will be held by appointment only on Friday, March 1.

A screening is required for acceptance into the program. Children considered are those who do not currently receive special education services and are not in need of special education services. Applicants are expected to demonstrate age appropriate skills (within 6 months) in the areas of speech and language, cognitive/school readiness, fine and gross motor development, and social/emotional and behavioral development. In addition, a child must be at least 3 years of age at the time of the screening and toilet trained. They must also be a resident of Carver and families must provide transportation to and from the program. Those children found eligible will be entered into a lottery. Appropriate role model students who are not selected in the lottery will be placed on a waiting list. Please note that slots are limited.

This program for role model students is a fee based program. Each half day session is \$12.00.

If you would like to schedule an appointment, please contact the Carver Elementary School Office at (508) 866-6210.
