

The Carver Public Schools' Preschool Program, located at the Carver Elementary School, is currently scheduling appointments for screenings for role model slots for the 2019-2020 school year. Screenings will be held by appointment only on Friday, April 5th, 12th, and 26th and May 3rd and 10th.

A screening is required for acceptance into the program. Children considered are those who do not currently receive special education services and are not in need of special education services. Applicants are expected to demonstrate age appropriate skills (within 6 months) in the areas of speech and language, cognitive/school readiness, fine and gross motor development, and social/emotional and behavioral development. In addition, a child must be at least 3 years of age by September 1, 2019 and toilet trained. They must also be a resident of Carver and families must provide transportation to and from the program. Those children found eligible will be entered into a lottery. Appropriate role model students who are not selected in the lottery will be placed on a waiting list. Please note that slots are limited.

This is a fee based program for role model students. We offer several sessions and the fee for each half day session is \$12.00.

If you would like to schedule an appointment, please contact the Carver Elementary School Office at (508) 866-6210.
