BACK TO SCHOOL UPDATE

CARVER ELEMENTARY NEWS OCTOBER 7, 2020

A MESSAGE FROM THE PRINCIPAL

Hello Carver Elementary Families! Welcome to the 2020-2021 school year! This school year will be unlike any other we have experienced in our lifetimes. Flexibility will be a critical part of both teacher and family commitments as we determine what works best for each classroom environment.

Regarding the hybrid learning days, I am aware that there has been some concerns specifically in terms of the at-home learning days. We will continue to collaborate with our hybrid teachers to look at student schedules and expectations. We will work together and if/when changes are made we will make sure to communicate those to you.

Since the start of the school year, we have had to take another look at many of our procedures. One important update is regarding tracking student absences. Please follow the instructions below on how to report your child's absence from school. Remember to use this process for ALL absences **Monday through Friday.** ***To facilitate this process, we have added a section called Attendance on our school app. Select the attendance button and complete the sections on the screen.*** The school will receive your information and follow up with you if needed. Remember that this process includes all students whether they are:

- FULL REMOTE,
- HYBRID In-person learning or
- AT home on the Hybrid home days

You are more than welcome to include your child's teacher on this email but it is not necessary.

Thank you for trusting Carver Elementary to be a part of your child's educational journey.

Sincerely,

Ruby C. Maestas

Principal

COMMUNICATION WITH FAMILIES

Effective communication will be the key to success regardless of whether your child is enrolled in our Full Remote or the Hybrid In Person Learning platform.
Communication regarding school events will be through our Carver Elementary School APP and ASPEN (a program that supports mass emails and phone calls). In order to stay informed, *please* maintain current emails with the school! We don't want you to miss anything!
Additionally, all teachers will use either individual Class Tag or email as their primary way of communication.
