Kindergarten Registration

2021/2022 School Year

Carver Elementary School is happy to welcome you and your family to our school. Please see instructions below on how to proceed with our new online registration process in Aspen.

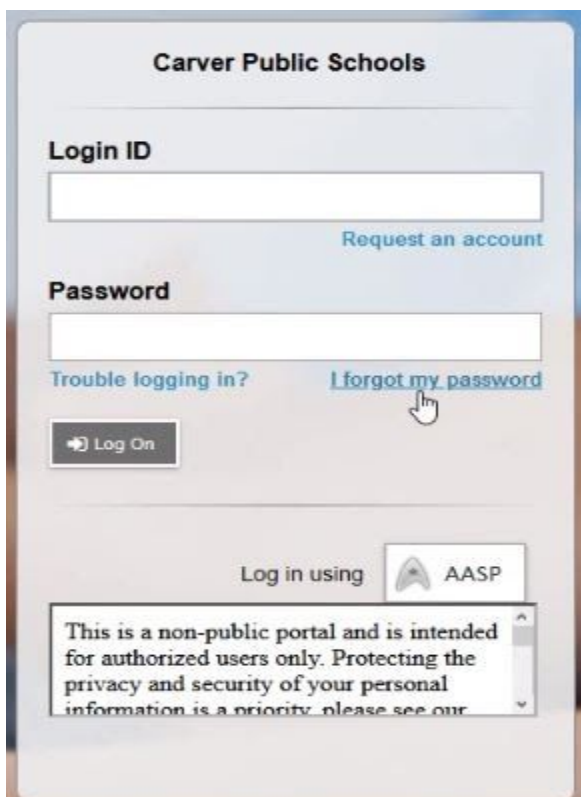

Step 1

Please use this link to set up an Aspen Account:

<https://ma-carver.myfollett.com/aspen/logon.do>

(This will allow you to complete the Online Registration and allow you access to your student's information once the registration process has been completed).

If you already have an Aspen account, please log in and complete the online registration process for your student that will be entering kindergarten.

If you do not currently have a student enrolled in Carver Public Schools, you must request an account. Otherwise, you can use the account that you have already created.

Step 2

Once you complete the Account Setup, you will be directed to the Aspen Homepage. Once here you will click the button that says "+Initiate". This will bring you to the Online Registration Form.
