****IMPORTANT UPDATE****

Grab n Go Meals for Grades 8-12

On April 26th, all students in the Carver Middle/High Schools will begin the full in-person model. The schedule for students in grades 8-12 will still have a block schedule, however, lunch will not be served for those grades. We will be offering a “Grab n Go” lunch at dismissal. Lunch bags will be available in 3 different locations. The Cafeteria, the Middle School foyer and the High School foyer. All lunches will be nutritionally balanced and free to all students. Lunches will be prepared in house or purchased as individually wrapped products. As we focus on making healthier choices, a salad option will be available every day. Please note that some options would require reheating at home.

All Grab n Go lunches will be posted on our website and throughout the building.

The menu for the week of 4/26 is as follows:

Monday: Turkey & Cheese Flatbread, Uncrustable or Garden Salad w/chicken
Tuesday: Ham & Cheese Croissant, Uncrustable or Chef Salad
Wednesday: Grilled Cheese (reheat at home), Uncrustable or Caesar Salad w/chicken
Thursday: Yogurt, Fruit & Granola Parfaits w/homemade granola, Uncrustable or Garden Salad w/chicken
Friday: Chicken, Bacon & Ranch Wrap, Uncrustable or Caesar Salad w/chicken

It is important to us that all students receive a healthy and nutritious meal, regardless of their learning model and choosing school meals can help make healthier choices easier.

Please reach out with any questions you may have.

Regards,

Theresa Vernazzaro

District Director of Food & Nutrition Services
