## CARVER PUBLIC SCHOOLS

3 Carver Square Boulevard, Carver, Massachusetts 02330-1200

April 10, 2023

To the Carver Middle High School community,

I am pleased to inform you that Christine Cabral has accepted the position as the Principal of Carver Middle High School. Mrs. Cabral has a Master's degree in Educational Leadership from Bridgewater State University. She started her career as a Music Teacher in Hanson. In 2003 she became an Assistant Principal at Carver Middle High School. During her tenure in Carver she has led several building based and district-wide initiatives and programs including; PBIS (Positive Behavioral Interventions and Supports), Crusader Pride, the World of Difference Program, and the district-wide teacher Mentor Program. Throughout her career in Carver she has worked effectively to support the needs of all of our students and families.

Mrs. Cabral has served as Interim Principal since August and has done an outstanding job working along with the school administration to promote and implement the initiatives of the district. I am excited about this opportunity for Mrs. Cabral to build upon the great foundation that she has established. I am confident that she will continue to lead the school successfully and look forward to our continued collaboration.

Sincerely,

Scott E. Knief  
Superintendent
