When filed with the employer, the authorization form will be honored in accordance with its terms. Deductions will be promptly transmitted to the Union by electronic transfer (ACH).

The Union hereby agrees to indemnify the Employer and hold it harmless from any and all claims, liabilities or costs which may arise out of the enforcement of this Article.

Sufficient notice (one week) shall be forwarded to the Employer signifying the intention to attend the above meetings.

When the Employer hires new employees who are members of the bargaining unit one-half hour shall be allotted to the Union to meet with such employees. The Employer shall notify the Union Stewards upon the hiring of a new employee.

ARTICLE IV

PROBATIONARY PERIOD

A newly hired employee shall complete a probationary period of ninety (90) days during which they may be discharged without cause.

ARTICLE V

GRIEVANCE AND ARBITRATION PROCEDURE

In order to be processed, a grievance must be reduced to writing and shall include (1) a clear statement of the grievance; (2) reference to the specific provision or provisions of the Agreement allegedly violated; and (3) the specific remedy requested. The grievance must be instituted in accordance with the procedures set forth herein within five (5) working days following the date of the occurrence of the facts giving rise to the grievance or within five (5) working days from the date on which the employee first becomes aware or has become aware of such facts. It is agreed and understood that the employer is under no obligation to process a grievance unless it contains a written statement of the alleged facts that form the basis of the grievance.

STEP 1: The allegedly aggrieved employee, with or without the Union Steward and/or representative, shall present the grievance in writing as set forth above to the Director of Operations and Maintenance. The Director of Operations and Maintenance shall respond to the allegedly aggrieved employee within three (3) working days.

STEP 2: If the grievance is not resolved at Step 1, the grievant may present the grievance in writing, as set forth above, to the Business Administrator within ten (10) working days following the response at Step 1. The Business Administrator shall respond in writing within five (5) working days. If two (2) or more employees covered by this Agreement are allegedly affected by the grievance, then the processing of the grievance shall begin at Step 2. In the event that the grievance affects discipline or discharge of an employee covered by this Agreement, the processing of the grievance shall begin at Step 2.

STEP 3: If the grievance is not resolved at Step 2, the grievant may present the grievance in writing, as set forth above, to the Superintendent of Schools within ten working days following the response at Step 2. The Superintendent shall respond in writing within five (5) working days.

STEP 4: If the grievance is not resolved at Step 3, the grievant may present the grievance in writing, as set forth above, to the School Committee within fifteen (15) working days following the response at Step 3.

STEP 5: If the grievance is not resolved at Step 5, the Union may, within twenty (20) working days after the reply of the School Committee is due, by written notice to the School Committee, present the grievance for arbitration to the Labor Relations Connection. The arbitrator shall have jurisdiction solely over the joint written issue presented to him and shall have no authority to alter, amend or modify this Agreement in any way. The arbitrator's award shall be final and binding upon the parties insofar as permitted by law. The arbitrator shall be requested to issue his decision within thirty (30) days following the conclusion of testimony and argument and the presentation of briefs.

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered to be a maximum, and every effort shall be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing. For the purposes of this provision, the consent of the School Committee will be provided by the Superintendent of Schools.

ARTICLE VI

SENIORITY

Seniority shall be defined as the number of years, months and days of continuous service within the bargaining unit. Employees being laid off shall be given notification no less than seven (7) calendar days prior to such layoff.

If laid off, an employee shall be eligible for recall for a period not to exceed twenty-four (24) months. In the event of recall, employees shall be called back in the inverse order of their layoff. The employer shall notify the employee of the recall and expected start date by registered mail sent to the address the employee has designated to the employer for the purpose of such notice (with a copy to the Union). The employee shall have ten (10) calendar days from the receipt of said recall notice to accept in writing. If the employee fails to respond or rejects the offer of recall, the employee shall lose future recall rights.

When there is a vacancy or new position covered by this Agreement, such position shall be posted in a conspicuous place listing the pay, duties, and qualifications. The notice of the available position shall remain posted for seven (7) days. Applicants interested shall apply in writing within the seven (7) day period. The Employer has the option of outside advertising for a vacant or a new position. The Employer will award the position to the

individual most qualified and capable to fill the opening. Not subject to grievance and arbitration. Nothing herein is intended to restrict the Employer's right to make transfers within the same shift without posting based upon school department needs. An employee selected to fill a vacancy or new position at a higher paying classification than the position previously held shall be given a sixty (60) day trial period. If at the end of said trial period either the employee or the Employer is not satisfied, the employee shall return to the old position and rate of pay. The person who had been hired to replace the employee who is returning to his old position will be placed on layoff and the vacancy into which the employee had been placed will again be posted and advertised.

A paid holiday listed above falling on a Saturday shall be observed on the preceding Friday, and a paid holiday listed above falling on a Sunday shall be observed on the succeeding Monday, provided that in the event such Friday or Monday is a school day for students, the holiday shall be observed as a floating holiday to be taken on a day when school is not in session, subject to the approval of the Director of Operations and Maintenance.

Applicants for such leave shall give written notice to the Director of Operations and Maintenance two (2) days before the leave is taken, provided that the Director of Operations and Maintenance may reduce or waive such notice requirement when necessary to allow the employee to address a personal emergency. In the event the employee seeks to use personal leave immediately preceding or following a weekend, holiday, or other day on which the employee is not scheduled to work, such notice must include a statement of the specific event which qualifies for leave under the terms of this article.

The Employer will pay each employee with 1+ years of experience in the position \$100 for each unused personal day at the end of the fiscal year to be paid on the last check in June or first check of July at the Employer's discretion
