September 19, 2024

To All:

Our Director of Special Education, Melissa Leary, will be out on an extended leave of absence. I am pleased to announce that Dr. Suzanne Hynes will be serving as the Interim Director of Special Education during Mrs. Leary's absence. Dr. Hynes' first day will be Monday, September 23, 2024.

Dr. Hynes has her degree in Special Educational Leadership from Boston University and comes to us with a wealth of experience. In her twenty-three years in public education she has been a preschool teacher, a special education teacher and a special leader including serving for five years as a Special Education Director for the Hingham Public Schools.

Please join me in welcoming Dr. Hynes to this Interim role. Dr. Hynes can be reached in the Special Education office at (508) 866-6190 and by email at HynesS@carver.org and will be here to support our staff, students and families during Ms. Leary's leave.

Sincerely,

A handwritten signature in black ink that reads "Scott E. Knief".
