

The PARTNERSHIP IN LEARNING INITIATIVE

is a compact or agreement that makes clear what is expected from family students and teachers.

CARVER ELEMENTARY
KINDERGARTEN - GR.5

The purpose:

- ✓ For families and teachers to work together in supporting the students to increase their academic achievement.
- ✓ For families to know and understand their role and what is expected of them to help further their child's learning experience.
- ✓ To clearly define the roles which the family, teachers and students play in helping each student to achieve his/her greatest potential and to foster a love of learning.

PARTNERSHIP IN LEARNING INITIATIVE

Families, students and teachers working together to strengthen our students' achievement.

LEARNING COMPACT

All of us are asked to review this compact: **family, students and teachers**. We each play an important role in the success of our students.

85 MAIN STREET
CARVER, MA 02330

PH: 508-866-6220

partnering together

AS THE FAMILY

we will do our best to:

- Ensure that my student attends school regularly, is on-time for class, and ready to learn and work in school each day.
- Encourage my student to do his/her best in school and to be a good citizen who is respectful of teachers, school staff and other students.
- Maintain an environment and schedule at home that provides support for learning.
- Schedule a specific time and provide a quiet place to do homework; check to see that it is completed; and communicate with the teacher if it was challenging.
- Read with my student each night.
- Show an interest in my student's education by discussing school each day and attend parent conferences.
- Partner with my student's teacher(s) by communicating.

AS THE STUDENT

I will do my personal best to:

- Show a positive attitude towards myself and other students, my teachers and our school.
- Work hard every day to do my best in all of my classes and ask for help if I don't understand something.
- Take home materials and information necessary to complete any homework assignments and return them on time.
- Read or be read to each night.
- Discuss school with my family and let them know what I am learning.
- Come to school ready to work and learn every day.
- Be respectful of the differences in people and work to solve problems in a kind way.

AS THE SCHOOL

we will:

- Treat all students with respect and help them build self-confidence in their abilities as successful learners.
- Provide a comfortable, safe environment with effective instruction so that students are excited to participate and to ask questions.
- Share progress with families on a regular basis to make them aware of their student's growth.
- Set and communicate high standards of behavior that are clear, specific and consistent so that all may learn each day.
- Celebrate students for the individual contributions that add to our classroom and school community.
- Host *Title One* family events to help promote learning at home.
