

FARM TO TABLE COORDINATOR (FALL)

We are seeking a Farm to Table coordinator that is highly organized, efficient, and punctual to manage our eight Fork Farms hydroponic grow systems at Carver Middle High School. Fall Season begins immediately and concludes January 31, 2027

Qualifications:

- Preparing and planting seeds for germination.
- Transporting seeds to flex farm hydroponic systems.
- Continually monitor status of growing plants.
- Maintain proper water levels in each grow unit.
- Maintain proper water ph and nutrient levels weekly.
- Harvest each hydroponic unit when plants reach full maturity.
- Clean and properly store produce for use in the kitchen.
- Clean and store Hydroponic units thoroughly when not in use.
- Communicate effectively with staff with a friendly, courteous demeanor
- Follow all health and safety standards per the USDA and Carver board of Health.
- Manage and maintain proper supply levels in the operation of the hydroponic systems.
- Maintain a professional demeanor and appearance at all times.
- Position requires approximately 5-8 hours a week of work after 1:30 PM

Stipend: \$3,500

If interested, please apply on www.schoolspring.com or send letter of interest to: Shane Riordan, Director of Food Services
